# Pawtucket Credit Union Financial Literacy Program

---

Expanding financial literacy throughout our communities through education, partnership, and personal connection.

Our mission is to collaborate with the members of our communities to provide valuable financial literacy education to those whom need it most.

---

# Our Collaborations

---

## ▶ A Long Tradition in High Schools

- ▶ We partner with more than 30 educators to provide in person financial education lessons to students.

## ▶ Sponsorship of Financial Literacy Tools

- ▶ EverFi
- ▶ The Financial Literacy Project, Internal Training Services

# Real World Day

---

- ▶ For 15 years, PCU has hosted Real World Day—a financial simulation where high school students can apply lessons learned in a hands-on, engaging environment.
- ▶ This authentic learning experience allows students to see how financial literacy lessons play out in real life.
- ▶ Real World Day provides teachers an immersive teaching tool they may not be able to provide on their own.
- ▶ Students have the opportunity to interact with professionals from the community, in a college environment.
