MARENGO CAVE

NOW HIRING

HELP WANTED

Marengo Cave is now hiring.

We are looking for energetic, outgoing individuals to join our team.

If you enjoy people, love adventurous activities and being "on the move" then this is a job for you!

Great for geology, recreation, education majors and/or those pursuing the performing arts.

Come Join Our Team!

WHAT WE OFFER:

- *Daytime positions with flexible hours provide the perfect opportunity for college and high school students, as well as others, to earn extra cash.
- *A great job for those seeking part-time/seasonal work. Also a good starter position for younger employees.
- *Opportunity to learn exceptional customer service skills that will be invaluable to you throughout life.
- *Development of public speaking skills, responsibility, commitment, and loyalty characteristics.
- *Perfect for those who enjoy nature and would like introducing others to the natural wonders found in caves.
- *Fun, friendly, family type atmosphere.

WHAT WE ARE LOOKING FOR:

- *Friendly and Courteous individuals who have or want to develop a strong work ethic. Outgoing and pleasant personality a must!
- *People-oriented individuals who love working in a fast paced, customer driven environment.
- *Those with the ability to multi-task while under pressure.
- *Must be able to effectively communicate with enthusiasm.
- *People with a passion for serving people.
- *Someone who enjoys learning and teaching others. One that is able to follow directions and also be a leader when necessary.
- *A person with a smiling face and a clean cut, professional image.

FUN INCENTIVES

- *Free tours and canoeing for you and your immediate family
- *Employee discounts on merchandise
- *Organized after hours activities with co-workers
- *Opportunity to make friends and meet new people
- *Gratuities may be accepted
- *Free entrance to many National Caves
- *Valuable work experience

WHO WE ARE:

Established in 1885, Marengo Cave is a nationally recognized show cave and considered to be one of the best in the United States.

We offer guided show cave tours as well as natural adventure trips.

We service approximately 70-80,000 visitors per year including families and group organizations.

Cave Country Canoes is a sister facility with canoe & kayak trips on the Blue River.
