Internet links in this document provide further clarification and instruction. Please read linked information thoroughly. These guidelines will be made available upon request to meet special needs.

The Indiana General Assembly, Indiana Arts Trust, and the National Endowment for the Arts fund this program.
ABOUT THE INDIANA ARTS COMMISSION
On behalf of the people of Indiana, the Indiana Arts Commission (IAC) advocates engagement with the arts to enrich the quality of individual and community life. The IAC encourages the presence of the arts in communities of all sizes while promoting artistic quality and expression. The IAC advocates arts development opportunities across the state, and stewards effective use of public and private resources for the arts. It stimulates public interest in, and participation with, Indiana’s diverse arts resources and cultural heritage. The IAC works to enhance public awareness of the arts, life-long learning opportunities, and arts education programs. Governed by a 15-member board of gubernatorial appointees, the IAC serves all citizens and regions of the state.

REGIONAL ARTS PARTNERSHIP
Established in 1997 and working in collaboration with the IAC, the Regional Arts Partnership (RAP) exists to promote and expand participation in the arts in Indiana. The RAP structure provides broad local access to arts services and funding opportunities throughout the State of Indiana. Services include, but are not limited to, information and referral, technical assistance, and regranting of state and federal funds through the Regional Initiative Grant Program (RIG). The RIG program was developed to help provide Indiana citizens access to quality arts and cultural activities, with special attention to underserved communities. RIG programs include Arts Project Support (APS) and Mini grants, Arts Operating Support I (AOS I), and Arts Operating Support II (AOS II).

ABOUT THE ARTS PROJECT SUPPORT (APS) PROGRAM
Description
For FY2016, July 1, 2015 – June 30, 2016, the RIG Arts Project Support (APS) and Mini Grants provide funding to Indiana arts and non-arts organizations* to support a distinct aspect of the organization’s arts activities, such as a one-time event; a single production; an exhibition; an educational seminar; or series of related arts activities, such as art classes or training sessions. (If applicable)

Mini Grants Please note, Region 2 does not offer mini grants.

* Non-arts organizations do not have the arts as their primary mission. They include pre-K, elementary, secondary, schools, and, in some cases colleges and universities; senior centers; parks and recreation departments; civic and community service organizations; professional associations; public libraries; public broadcast stations; health and human service agencies; and other public agencies and private nonprofit tax-exempt community based organizations.

Guidelines
It is essential to understand ALL of the guideline requirements. Organizations must be able and willing to fulfill every requirement listed to receive a grant for its application. Failure to do so may be deemed a breach of contract with the State of Indiana and can result in application rejection, delay in payment, and/or fund recindment and required grant repayment.
Grant Period
July 1, 2015 through June 30, 2016

APPLICATION REVIEW CRITERIA
Application deadline for this Region is March 2, 2015 4:30 PM (EST). After receipt of completed application, the Regional Arts Partner will review your materials to ensure that all required information was submitted. If any discrepancies are found (such as incomplete answers or uploads), your application may be ineligible for review.

Each eligible application will be reviewed and scored by a conflict-free panel of professional peers. The panel review will take place on April 23, 2015 and will be open to the public for observation and may be recorded. Applicants are invited and are encouraged to attend to hear feedback. The quality of the recorded session is not guaranteed. Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel meeting and location will be posted on the RAP website and/or IAC website.

Organizations that have a total of 75 or over will be eligible for funding. Evaluation criteria details can be found on the IAC website. Information submitted in the application will be reviewed according to the following evaluation criteria:

• **Administration: 30 Points** - Extent to which applicant organization demonstrates ability to successfully design and implement the project (effective planning, financial responsibility, leadership)
• **Project Quality: 30 Points** - Extent to which the project demonstrates artistic or cultural quality and innovation
• **Outreach/Community Impact: 40 Points** - Extent to which project reaches underserved audiences and provides meaningful arts experiences for the target audiences

MATCHING REQUIREMENT
All applicants must match IAC funds on a dollar-for-dollar basis; match may be a combination of cash and in-kind (value of necessary donated goods and services); and at least 50% of the local match must be cash.
GRANT AWARD DETERMINATION
Following the panel meeting, a Commission-approved funding formula is applied that takes into consideration the panel’s ratings, number of eligible applicants, and available funds to determine specific grant recommendations. The Indiana Arts Commission will review and ratify the funding recommendations at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission ratifies the grant recommendations.

STATE/PROGRAM REPORTING REQUIREMENTS
Grant recipients must be able to meet the program requirements to maintain good standing and insure grant compliance and proper use of awarded funds with the state. Financial/Official forms: Grant recipients are required to complete a grant agreement as well as additional paperwork associated with state and federal grant processes/requirements and detailed information are provided at the following link: http://www.in.gov/arts/2387.htm. Contact the IAC if you have additional questions.

- **Form E-1, Business Entity Report, IRS W-9 and Direct Deposit Form**: Only DIRECT IAC grantees are required to file an Entity Annual Report (Form E-1) with the State Board of Accounts (organizations and individuals), maintain an active Business Entity Report with the Indiana Secretary of State (not individuals), and accurately complete IRS W-9 and Indiana’s Direct Deposit form for payment.

- **E-Verify Memorandum of Understanding (SEA 590)**: Senate Enrolled Act 590 (SEA 590), signed into law by Governor Mitch Daniels in May 2011, stresses that State agencies cannot award a grant of more than $1,000 to a grantee unless the grantee documents enrollment and participation in the E-Verify program, affirming that a grantee does not knowingly employ an unauthorized alien. An explanation of the legislation can be found here. Your organization must comply with this legislation upon acceptance of your grant or you risk losing the grant and rescinding of any funds paid. You can find more information at the E-Verify website.

- **DUNS Number**: All applicants must have a DUNS number to complete an application. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of businesses. Call or use the following link to apply for a free DUNS number at: http://fedgov.dnb.com/webform.

- **Four Public Official Letters**: Grant recipients are required to write at least four letters to their local, state legislators and the Governor to thank them for making these funds available each year. Grantees will mail one letter to each of four recipients, one to the Governor and the other three to state legislators from counties served by the organization. The first two letters are due with the signed grant agreement. The final two letters are due with the final grant report. For details and examples refer to the IAC website link: http://www.in.gov/arts/2387.htm.

- **Grant modification (if change is necessary)**: During the grant period and prior to making change to the grant, grantees must notify the appropriate IAC Program Officer of any changes that may affect the funded project/grant. A Grant Modification Form would be necessary if the change would include budget variances or any changes from your original application regarding personnel, project/grant dates (timeline), or scope of activities, etc. IAC staff will review the changes before giving written approval. Grantees may be required to return grant money to the IAC if this procedure is not followed.
• **Final report:** All grantees must submit a completed Final Report due July 11, 2016 4:30 PM (EST). The Final Report is accessible through the [IAC online grants system](http://www.in.gov/arts/2671.htm). For grant recipients that do not submit a report by the deadline, the following will result:
  o For reports up to one week late, an automatic 15% will be deducted from the grantee’s total grant award;
  o For reports later than one week and up to two weeks late, the entire final grant payment will be rescinded and;
  o After two weeks, the grantee’s full grant will be rescinded, and the grantee will be ineligible to receive funds for the next cycle of any IAC grant opportunity.

• **Monitoring/records retention and tax responsibilities:** Grantees must provide access to any books, records, documents, and papers pertaining to the grant for purposes of program or financial review by the IAC or its agents. Adequate records need to be maintained to substantiate financial and program information reported to the IAC for a period of no fewer than three years. Grantees are responsible for all tax obligations under federal, state, and local laws. Consult a tax accountant or local Internal Revenue Service office. Grant monies cannot be used to pay taxes.

• **Public manifestation, fair labor, drug free, and civil rights:** The electronically-signed Grant Agreement indicates that the organization and its representative understand the detailed information provided at this link and are in compliance with these laws.

• **Clearance check requirements (Regions managed directly by the IAC only):** All grantees must go through a mandatory clearance check to ensure that they are in good standing with the Department of Revenue (DOR) and Department of Workforce Development (DWD). If the clearance is denied, the grantee will be contacted by the IAC and provided with contact information to assist in resolving the issue. The IAC allows up to 30 days to rectify the problem. At the end of this deadline, the clearance check will be performed again. If the clearance check is denied a second time, grantees risk losing funding for the Fiscal Year.

**ACKNOWLEDGMENTS & RECOGNITION REQUIREMENTS**
Grant recipients must use the IAC logo for acknowledgment and credit. For credit on any and all printed documents related to the funded project refer to the website [http://www.in.gov/arts/2671.htm](http://www.in.gov/arts/2671.htm) and/or contact the Director of Marketing and Communications by phone at 317.232.1273 or by email at ryanzant@iac.in.gov.

**PAYMENT SCHEDULE**
All payments are contingent upon adherence to all grant guidelines and reporting requirements. The first grant payment will be for 75% of the first fiscal year total award. Funds will be disbursed after the grant agreement and aforementioned documents have been approved. The second and final fiscal year grant payment will be for 25% of the total award. Funds will be approved to disburse after the final grant report and any additional requirements have been submitted and approved. It takes approximately three months from the time the correctly completed forms are submitted until the recipient receives the payment (first and second). If the grantee fails to comply with the contract, reporting, logo, or the letter to elected officials requirement, the IAC may rescind the entire grant amount and this may jeopardize future grants from the Indiana Arts Commission.
RECONSIDERATION POLICY AND APPEAL PROCESS

The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel’s choices/judgment over the original panel’s decision. Dissatisfaction with the denial of a grant or the amount of an award is not sufficient reason for an appeal. For more information refer to the website at: http://www.in.gov/arts/2680.htm.
