

### **St. Michael's After School Band Scheduling**

Thank you for your interest in our band program. In order to create a schedule that works best for the most persons, I need to know what your current and/or anticipated scheduling commitments are.

Please cross off only the times that your child could **NOT** regularly attend. Please return to me and I'll select times that suit the most individuals. I look forward to working with your child.

Best regards,

Brian Rollins
