How to Lock or Unlock your Door
From the System Menu

STEP 1
locate the icon on your device, tap on it to open the Liberty Live powered by Alarm.com app
You will be brought to the Login screen. Enter your username and password then tap Login

STEP 2
From the Home screen tap on the icon located in the top left corner
You may also access the System Menu by holding your finger on the left side of the screen and swiping from left to right
(Note: Your Home screen may look slightly different depending on what services you have)

STEP 3
From the System menu located under FEATURES tap Locks

STEP 4
From this screen you can lock or unlock your door by tapping on the corresponding keys
Once you have finished, tap the arrow in the top left corner to return to the home screen
You have now learned how to Lock and Unlock your Door from the System Menu
