

Summer Math IXL Activity

Rising Fourth Grade

In order to keep your math skills fresh over the summer, you will use IXL for summer math practice. IXL is an online program that allows students to practice math skills, and students can use IXL from anywhere they can access the internet.

Directions for Logging on:

1. Use the following URL: <https://www.ixl.com/>
2. Log in using the user name and password you were given during the school year. If you forgot your user name, please email kbest@stmschool.net.
3. Choose Math and the appropriate grade level. You will **select the grade you just completed**.
4. Choose from the list of skills listed below. Strive to achieve a score of 85 or higher in each category.
