

Summer Math IXL Activities

Rising Fifth Grade

In order to keep math skills fresh, students will use IXL for summer math practice. IXL is an online program that allows students to practice math skills, and students can use IXL from anywhere they can access the internet.

Directions for accessing IXL:

1. Use the following URL: <https://www.ixl.com/>
2. Log in using the user name and password you were given during the school year. If you forgot your user name, please email kbest@stmschool.net.
3. Choose Math and **select the grade level you just completed**.
4. Choose from the list of skills listed below. Strive to achieve a score of 85 or higher in each category.

User Name:	Password:
------------	-----------
