

NATIVE COUNSELLING SERVICES OF ALBERTA

YOUTH NAVIGATOR Full Time Position Edmonton, Alberta

Competition No. 1758

Closing Date: August 14th.2018

Native Counselling Services of Alberta (NCSA) is a diverse, dynamic non-government organization that is committed to the holistic wellness and equitable treatment of Alberta's Indigenous individuals, families and communities since 1970. NCSA currently is seeking an individual to provide facilitation services and supports to youth participating in the program and wanting to make positive changes in their life. The successful applicant will have previous experience working with youth, facilitation experience, building connections to organizations and services to enhance capacity in providing services specific to youth. This individual must be prepared to work occasional weekends, occasional, evenings to support youth they are working with. This is a challenging position with ongoing training provided.

Qualifications:

- Social Work Degree and/or related human resource field and/or extensive experience with multi barrier Indigenous youth and their families.
- Experience in providing one to one supports and referrals with demonstrated ability to work with community agencies.
- Strong coordination, organizational, planning and problem solving skills.
- Previous knowledge and experience in case recording practices, group facilitating.
- Good working knowledge of computers and their programs.
- Dependable with excellent verbal and written communication skills.
- Must have a reliable vehicle, valid driver's license with required liability insurance suitable for the position and provide a Driver's Abstract.
- Must provide recent Criminal Record Check, Child Intervention Record Check prior to hire.
- Knowledge of Indigenous people, their culture, traditions and values would be a definite asset.
- Must learn the NCSA Resiliency Model and agree to be fully immersed in the model with all interactions with clients and staff.
