

NATIVE COUNSELLING SERVICES OF ALBERTA

Youth Navigator/Support Worker Full Time Position Edmonton, Alberta

Competition No. 1769

Closing Date: October 19th.2018

Native Counselling Services of Alberta (NCSA) is a diverse, dynamic non-government organization that is committed to the holistic wellness and equitable treatment of Alberta's Indigenous individuals, families and communities since 1970. NCSA currently is seeking an individual to provide comprehensive service delivery and outreach support to youth participating in the program that want to make positive changes in their life. The successful applicant will have previous experience working with youth, facilitation experience, building connections to organizations and services to enhance capacity in providing services specific to youth. This individual must be prepared to work occasional weekends, occasional, evenings to support youth they are working with. This is a challenging position with ongoing training provided.

Qualifications:

- Social Work Degree and/or equivalent experience with a minimum of three years of direct service delivery work with marginalized and vulnerable clients.
- Provide one to one services using client centered, resiliency and strength based approach.
- Use a collaborative approach to develop the most appropriate programming, supports and services for clients.
- Strong coordination, organizational, planning and problem solving skills.
- Strong written, verbal communication and interpersonal skills.
- Strong knowledge and experience in case recording practices and case management with good working knowledge of computers and programs.
- Must have a reliable vehicle, valid driver's license with required liability insurance suitable for the position and provide a Driver's Abstract.
- Must provide recent Criminal Record Check, Child Intervention Record Check prior to hire.
- Knowledge of Indigenous people, their culture, traditions and values would be a definite asset.
- Must learn the NCSA Resiliency Model and agree to be fully immersed in the model with all interactions with clients and staff.
