Dear St. Michael's Episcopal School Community,

I am honored and thrilled to be selected as the next Head of School at St. Michael's. My family and I are excited to move to Richmond in the coming summer, to fully engage in the life of the school, and to build upon the strong legacy that is St. Michael's.

For years, I have known of the strong sense of community at St. Michael's, the culture of kindness the school espouses, and the wide-spread affection for the School throughout Richmond. When Kathy and I visited in December, we were also struck by the strength of the school's comprehensive program as well as the warmth and generosity extended by everyone we met, including students, faculty, administrators, parents, board members, and alumni. St. Michael's is truly a special place and much-loved.

Joining such a strong school with notable momentum is especially exciting; I look forward to working to fulfill St. Michael's mission, strategic plan, and *One. Together – The Vision for St. Michael's* to advance the School's success and strength. Most appealing, of course, are the opportunities to work with the talented educators and students of St. Michael's! Thank you for the trust and confidence in my leadership and for the opportunity to serve St. Michael's.

Sincerely,

Robert E. Gregg, III
