

St. Michael's 2019-20 School Year Award Winners

Literary Awards

St. Michael's is proud to be a community of writers. Beginning in kindergarten, student writing efforts are nurtured and celebrated. Each year, two students in each grade are recognized with the Literary Award, St M's oldest recognition, for exceptional effort and ability in writing.

Mathematics Award

St. Michael's is committed to the development of problem-solving and critical thinking skills in the field of mathematics. This award recognizes students who have shown exceptional effort, enthusiasm, and achievement in mathematics.

Citizenship Awards

Recipients of the Citizenship Award, the highest honor bestowed to a St. Michael's student, are recognized for academic achievement, responsibility, consideration of others, respect for the feelings, rights and property of others, reverence in church, willingness to help and participate in school activities, honesty, good sportsmanship and good manners. The St. Michael's Citizenship Award honors two students in each grade for outstanding achievement in social and academic endeavors.
