

Rising Seventh Graders: 2020 Summer Homework

Practice your Spanish so you don't forget it. It is important to review often. The idea is to keep your Spanish brain from falling asleep over the summer.

Please complete the attached summer homework in the month it is assigned. Each month has several assignments, please complete at least four tasks each month.

Do this homework online. Go to our Google Classroom page for your sixth-grade section and you will see three monthly assignments: June, July, and August. Visit each page in the given month, do the four tasks, and let us know when you have done them. LEAVE A NOTE telling us which activity you did and when.
