

2020-21 Back to School Reminders

We included a lot of important information in our [Campus Reopening Plan](#). Please note our pandemic dress codes changes in the plan.

A couple of things to keep in mind:

Orientation

- To ensure a smooth start in the opening week, **ONLY** the morning students will attend school on August 31, and **ONLY** the afternoon students will attend school on September 1. (No morning gym nor Extended Day.)
- Barring any complications, both the morning and afternoon cohorts will be on campus during their cohort time every day beginning September 2.
- **Morning Gym and Extended Day launch on WEDNESDAY, SEPTEMBER 2.**
- A reminder that virtual enrichment classes will begin on **TUESDAY, SEPTEMBER 8**. Each child's schedule of virtual enrichment classes will vary, but each student will have required enrichment classes (Art, Music, Design, PE). Students will receive their schedules during the first week of school.

Morning and Afternoon Cohorts

- To confirm whether your child(ren) will come for on-campus learning in the morning or the afternoon, please check these cohort lists below. **THESE LISTS ARE NOW PASSWORD PROTECTED. The passcode is: [bluedragon](#)**
 - [Morning Cohort List](#)
 - [Afternoon Cohort List](#)

Extended Programs

- Logistics about Morning Gym and Extended Day will be provided to families by Ashley Buffey, director of extended programs, by August 31. If you were assigned to Morning Gym, the gym parking lot is YOUR MORNING DROP OFF ZONE. See carpool map [HERE](#).
- More details about carpool will be sent later this week.

Face Masks REQUIRED BY ALL

- ALL students need to wear masks and bring at least 2 extra masks (2-ply or disposable) daily to school and keep them in a sealed bag. Gaiters are allowed as long as they are double-layered. Single-layered gaiters are NOT allowed.
- Bandanas and masks with one-way valves should not be worn. No writing on masks.
- When arriving on campus, all vehicle occupants **MUST** be wearing a mask.
- Please have your child practice wearing a mask for longer periods of time.
- After an initial grace period, any student refusing to wear a mask will be sent home.

Daily Health Screening

- Parents will need to complete a MANDATORY Daily Health Screening for each child by 7:40 a.m. For the first few weeks of school, this will occur through a Google Form sent via text and email. (The health screenings will then migrate to our new Magnus Health web app once the app is finalized for rollout.) More info on this to come.
- Please note that if your child arrives on campus with a fever of 100° F or higher or other COVID-19 symptoms at our carpool temperature check stations, your child will not be allowed to exit the car and will need to return home.

Hydration

- Students should bring water bottles, labeled with their names, to school each day. They will not be allowed to drink directly from the fountains, but bottles may be refilled at the bottle-refill stations.

Lockers and Cubbies Unavailable

- A reminder that rolling backpacks were added to some grades' supply lists because students will not be able to use lockers/cubbies due to physical distancing requirements. Therefore, the backpack will act as each student's "locker."

School Supplies/Back to School Info

- In case you missed specific communications, be sure to review the [Back to School page](#) on our website.
- Also, please bookmark and regularly check our [COVID -19 Updates](#) page to stay abreast of new developments and school communications.
