

Virtual Learning Plan Grades 4-5

Student Name:

Grade:

Sarah Munro and all of the student's academic and enrichment teachers comprise the student's Virtual Instructional Team (VIT). These teachers will communicate with the student individually and will partner with Ms. Munro to create a weekly progress report for the parent/caregivers.

Materials	Live Support	Family Review	Notes
<p>Google Classroom will be the main mode of delivery for students. If there is paper material, see below.</p> <p>Materials collected at end of day (EOD) Monday in blue folder and by EOD Wednesday in green folder.</p> <p>Blue folder will be ready by start of school on Tuesday and should be collected by EOS Tuesday for completion by Thursday</p> <p>Green folder will be ready by start of school on Thursday for collection by EOS on Friday-returned on Tuesday</p>	<p>Sarah Munro will act as the coordinator of all virtual work, meeting with all live teachers and making sure student has access to all materials.</p> <p>Each academic subject teacher will schedule a 30 minute Zoom with all students within a grade level weekly to review work and deliver key content. More time may be scheduled as needed</p>	<p>VIT Zoom meeting every two weeks. If the team agrees that more is needed, it may be scheduled through the Lower School Director.</p>	<p>VIT will need a document camera to use for student's returned work during virtual review</p> <p>Homeroom teacher will keep in touch with any virtual enrichment teachers to check for any needs to be addressed</p> <p>Teachers will create benchmark assessments to check for progress</p> <p>VIT will discuss assessments to determine progress and assign a schedule for review</p>
