CHARLES MARTIN “TOUCH A LIFE” SCHOLARSHIP PROGRAM

An initiative of the African American Community Fund of the Community Foundation of St. Joseph County
(Application due Monday, March 1, 2021)

The Charles Martin “Touch a Life” Scholarship was established to create a meaningful and lasting tribute to this remarkable man. The Charles Martin “Touch a Life” Scholarship provides academically motivated African American students from St. Joseph County tuition assistance and an opportunity to give back to their community while gaining meaningful work experience in the process. This will be accomplished through a summer internship program involving some of St. Joseph County’s best nonprofit agencies.

Scholarship recipients will be required to fulfill a 250-hour paid internship each summer in order to be eligible for up to \$7,500 annually, including a \$2,500 internship stipend and up to \$5,000 in tuition assistance.* The scholarship is renewable up to four years. Each student who receives a Charles Martin “Touch a Life” Scholarship will be connected with a network of Mr. Martin’s former students. Those students will keep in touch with the young scholar throughout his or her college journey, offering encouragement, inspiration, and advice, just as Mr. Martin did.

SELECTION CRITERIA

Students must meet the following criteria to be considered for a Charles Martin “Touch a Life” Scholarship:

- be of African American descent;
- be a resident of St. Joseph County, Indiana;
- graduate from an accredited Indiana high school by June 30th of the application year;
- intend to pursue a full-time associate or baccalaureate course of study beginning in the Fall of the application year at an accredited, nonprofit public or private college or university;
- possess a minimum cumulative GPA of 2.5 and be in good academic standing;
- demonstrate financial need.

Eligibility Note: *Students whose tuition is completely covered to the school they decide to attend either through, 1) a tuition specific scholarship or, 2) a tuition benefit that meets or exceeds the cost of tuition due to their parent(s)/guardian(s) place of employment (either at that institution or another), will not be eligible for this scholarship. **Note: 21st Century Scholars are eligible to apply.** In addition, family members of those serving on the scholarship nomination committee or Community Foundation staff are deemed ineligible (defined as spouses, lineal descendants and their spouses, siblings and their spouses).

**An exception may be made for one summer if a student has a requirement for their major that must be completed. The \$2,500 stipend will be forfeited for that summer, but the \$5,000 scholarship may still be awarded. Only one exception will be made. If an exception is not made and the student does not complete the summer internship for whatever reason, the student will forfeit the \$5,000 scholarship for that year.*
